# CAPTAIN CANOT, UTHOR OF THE GREAT BOOK JUST BE-ING PUBLISHED, SPEARS OF HAMPTON'S

GREAT CURE OF RESUMATISM CONTRACTED UNDER TROPICAL CLIMATES. BALTIMORE, Md., June 4, 1854.
Mr. Stockbridge, of the Fountain Hotel, Light street,

Dear Sir : Being on the point of leaving the city, avail myself of a few idle moments to thank you kindly for the medicine you sent me, and which has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's Vegetable Tineture my confidence is so strong that, in gratitude to the proprietors of said medicine, I beg them to make it more publicly known as a sure Rheumatic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed, aseless in all my limbs, you can appreciate nearly as well as myself the prompt relief I received from Dr. Hampton's Tinoture, and I am positive had it not been for your strong and forcible recommends.

tions I should still have been in bed. It is really a pity this specific should not be approved by medical men, and like all patent drugs it should suffer the imputation the public generally dive to such preparations. I myself, who was always opposed to a patented specific, took this medicine with reluctance, and without confidence in it, and it was only through your disinterested, friendly recommendations, and my critical situation that induced me to try this really beneficial Vegetable

You may inform Messrs. Mortimer & Mowbray that they are at liberty to make use of my name in the support of the good effects of Ur. Hampton's Vegetable Tinoture, as it has cured me in five weeks of a chronic Inflammatory Rheumatism, contracted under tropical climates, and of seven years' periodical duration. I have only used three bottles, and find that even the deformed parts of my hands are fest returning to their former natural appearance.

I have been under the treatment of several physicians in London and Paris, without any apparent benefit; also, while in New York, having tried the Thompsonian and Homopathic remedies, after havng been tormented with galvanic batteries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so iar, sured by this Hampton's Vege able Tincture only. Therefore, my dear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CAMOT.

REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, VA., Aug. 18, 1851. Mr. J. E. Boush-Bear sir: While I am, in genera!, opposed to patent medicines, cander compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in

lyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy. I am, respectfully, yours,

THE PREACHER AND THE GAMBLER; Or, Putting the Saddle on the Wrong Horse. BY HARRY NUTHEG.

"Debris Data" very justly observes, while traveling on the steamers of the southern and western waters. Not long since a number of gamblers and two or three clergymen happened to be passengers on board the General Pike steamer, bound on a trip from Cincinnati to New Orleans. The company of the cabin, from whatever cause, extra morality or otherwise, did not seem inclined to participate in the pastime of gaming, as is quite usual on a majority of these river craft.

Several days accordingly passed and not a symptom of a card or gambling had been observed. At length a gambler -seemingly an unsophisticated greenhorn in the ways of fashionable or polite river gamblers as scarce as pigeon's milk society, although a wild, reckless, daredevil sort of a hard customer of a backwoodsman, began to grow weary of the tedium of the passage, and became impatient to realize his traveling expenses, by victimizing some of the "verdant' ones of the motley crowd.

Tapping one of the preachers alluded to on the back, in a familiar sort of a way he thus accosted him: "I say, stranger, dull music here
